THE KANSAS CITY TIMES.

Provide Yourself With Information of the Coming Struggle.

There Will Be Elections in Thirty-Six States This Year.

To Be Informed of All the Moves on the Political Chessboard and the News of the World as Well, Read the Best Paper—The *Kansas City Times*.

The *Kansas City Times*, as the exponent of Western beliefs and interests, has become the most widely known paper in the West. Its work for all that benefits the West and Democracy has gained for it thousands of admirers, and, backed by the rural press and the approval of the major portion of the people in this section, its power for good is constantly on the increase. The good it is now able to render for Democratic principles, as embodied in the Chicago platform, can be greatly increased by the support of the people who live in Southern and Western States. The contemplative practices used in Ohio are but a forerunner of what will be attempted in the general State elections this fall.

This year important elections will be held in thirty-six States and Territories. The most determined efforts, accompanied by every conceivable species of political trickery and corruption, will be brought forth to defeat the Democratic forces. Events of great importance to the people will transpire, and a live, up-to-date newspaper will be a vital necessity in every home if one would keep informed on current events. The news service of the *Kansas City Times* is in every sense complete. In addition to the full Associated Press report, it receives special reports from its own correspondents in every important news center in the country. Its policy is unequivocally Democratic and for the interests of the West.

By means of three fast early morning trains, north, south and west, the *Times* is delivered at points 200 miles from Kansas City in time for breakfast, and over Western Missouri and three-fourths of Kansas, the same day it is published. It will be sent by mail one year for \$4; for six months, \$2, and for three months, \$1. The *Twice-a-Week Times* contains the cream of the world's news and the best market report compiled in Kansas City. Sent one year for \$1; six months for 50 cents. Address

FOR ALL WOMEN

NINE-TENTHS of all the pain and sickness from which women suffer is caused by weakness or derangement in the organs of menstruation. Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

Wine of Cardui
Is nature's provision for the regulation of the menstrual function. It cures all "female troubles." It is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life." They all need it. They are all benefited by it.

For advice in cases requiring special directions, address, giving symptoms, the Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.

THOS. J. COOPER, Tupelo, Miss., says: "My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her and also helped my mother through the Change of Life."

Cora O. Robinson

vs.

George E. Robinson.

(Petition for Divorce.)

Now at this day comes the plaintiff, by attorney, and files her petition, duly verified by affidavit, setting forth, among other things, that the defendant has absented himself from his usual place of abode in this State and has concealed himself so that the ordinary process of law cannot be served upon him: It is, therefore, ordered by the undersigned, Clerk of the Circuit Court within and for the County of Iron, in the State of Missouri, in vacation, that publication be made, notifying said defendant, George E. Robinson, that an action has been commenced against him in the Circuit Court of Iron County, in the State of Missouri, the object and general nature of which is to obtain a decree of divorce from the bonds of matrimony heretofore contracted between said plaintiff and defendant, on the grounds of desertion.

And unless he be and appear at the next term of said Court, to be held for the County of Iron, State aforesaid, at the courthouse in the City of Ironton in said County, on the fourth Monday in April next, (1898), and on or before the third day thereof (if the term shall so long continue; and, if not, then before the end of the term), and plead to said plaintiff's petition, the same will be taken against him as confessed.

It is further ordered that a copy hereof be published according to law in some weekly newspaper published in the County of Iron, State of Missouri.
